PANEL 2: COMPETITIVENESS OF S-REITS VERSUS RISING REGIONAL REIT REGIMES

In the last few years, REITs have been introduced in several countries, most notably in India and China. Hong Kong has recently announced schemes and changes to revive their REIT sector. What do these developments mean for the future of Singapore REITs and how does this impact our standing as a global REIT hub?

We are also excited to be launching a joint report by Deloitte and REITAS that will cover these and related questions in detail.
