

SUSTAINABILITY COURSE FOR REITS

Friday, 8th November 2024

Four Seasons Hotel Singapore, 190 Orchard Boulevard S(248646)

Windows West, Level 20

❖ Course Objective

The course is designed to equip junior and middle management in REITs with an all-round and practical understanding of how sustainability issues impact REIT Management. The emphasis of the course is on the real-world application of environmental and stakeholder considerations when managing a REIT as well as on key aspects of sustainability-related regulations, finance and reporting. Instructors are senior practitioners in the REIT and real estate sustainability fields.

❖ Target Audience

While the seminar is specially designed to equip junior and middle management in REITs, we welcome registration from senior management and anyone else who may find the session useful.

❖ Registration

Register at secretariat@reitas.sg by **25 October** or contact Juliana at **6721 7023**.

Seats are limited and are on a first-come-first-serve basis.

6 Supplementary CPD hours will be awarded upon request.

MS ELENA ARABADJIEVA
Chief Operating Officer &
Head of Investor Relations
Cromwell EREIT Management
Pte Ltd

Ms Arabadjieva joined the Manager of Cromwell European REIT (CEREIT) in September 2017 and was appointed as the Manager's COO and Head of Investor Relations in September 2018.

As COO, Ms Arabadjieva is responsible for ESG, business continuity and general business operations. As Head of Investor Relations, Ms Arabadjieva is responsible for investor and stakeholder engagement, marketing and communications as well as continuous disclosure and transparent market communications. In addition, Ms Arabadjieva is also responsible for CEREIT's sustainability reporting which has won multiple awards, including Best ESG Reporting at the IR Magazine Southeast Asia Awards 2023.

Ms Arabadjieva has over 20 years of experience in Asia and has held a number of senior positions in Singapore. Prior to joining the Manager, Ms Arabadjieva was the Head of Investor Relations and Corporate Communications of Cambridge Industrial Trust (now known as ESR-LOGOS REIT). Prior to that, Ms Arabadjieva was the Director of Investor Relations of Genting Singapore Limited.

Ms Arabadjieva holds a master's degree in architecture from the University of Architecture, Civil Engineering and Geodesy (Bulgaria) and a Master of Business Administration from INSEAD.

MR TAN CHOON YONG
Sustainability Manager,
Lendlease Global Commercial
Trust Pte Ltd

A Mechanical Engineer by training, Choon Yong brings more than 5 years of building services design and project management expertise to Lendlease, which he joined in 2022.

In his current role, Choon Yong looks after the Environmental Sustainability portfolio for Lendlease Global Commercial REIT, devising and charting a pathway for the REIT to meet its Absolute Zero target 2040.

In his previous role at Lendlease Singapore, Choon Yong oversaw the Sustainability portfolio across Investment, Development, and Construction. He spearheaded the development and implementation of a Singapore specific sustainability program aligned with the Group's global strategy. He also led the development of the Sustainability Asia Minimum Standards, launched in April 2023.

MR KELVIN NGO
SVP, Head of Real Estate &
Hospitality Sector Solutions
Group,
United Overseas Bank

Kelvin is Head of Real Estate & Hospitality (REH), Sector Solutions Group for UOB. He leads the REH team that is responsible for developing sector-specific solutions by leveraging on industry insights, data analytics and value-chain analyses across UOB's wholesale banking business.

The REH team developed the region's first green financing framework by a financial institution in 2019, which was intended to provide clients with sustainability-related buildings and agendas with easier access to sustainable financing solutions.

Kelvin spent the bulk of his 29-year career in the real estate industry in market research, consultancy, asset acquisitions and asset management in Asia Pacific with real estate private equity and REIT like PGIM (previously as GRA and Pramerica), ARA's Fortune REIT and Keppel Land's Alpha Investment Partners. Prior to joining UOB, Kelvin covered Asia Pacific real estate banking credit and real estate portfolio oversight with the Australia and New Zealand Banking Group.

MS TRUDI CHOO

FVP, Real Estate & Hospitality
Center of Excellence
Sector Solutions Group
United Overseas Bank

Trudi is a key member of the REH team that is responsible for developing sector-specific solutions by leveraging on industry insights, data analytics and value-chain analyses across UOB's wholesale banking business.

Trudi has more than 15 years of banking experience where she was a senior coverage banker for corporate clients across multiple industries, including the real estate sector and its upstream value chain (prefabs, steel manufacturing etc). Her well-earned insights across the built environment ecosystem led her to structure and execute several notable sustainable financing transactions for real estate clients and along the way advised clients in their sustainable finance journey.

Combined with her personal interest in sustainability and her vast experience in banking, Trudi drove innovative sustainability solutions for the real estate sector. These include advising clients on sustainability engagement to further their decarbonization efforts (including green leases, frameworks etc) with footprints across the Asia Pacific region.

About REITAS

REITAS is the representative voice of the Singapore REIT (S-REIT) industry. It provides its members a representation and engagement in consultation opportunities with policymakers on issues affecting S-REITs. The association also organizes talks, courses, investor conferences, retail education events etc. to promote understanding and investment in S-REITs
