

ESSENTIALS AND KEY UPDATES FOR DIRECTORS OF REIT MANAGERS

Thursday, 5 November 2026

voco Orchard Singapore, 581 Orchard Road, S238883
Malaysia Room, Level 5

❖ Course Objective

- **SGX compliance:** Meet SGX requirements for first-time directors of REIT managers¹
- **Fundamental knowledge:** Equip aspiring directors with the essential know-how for serving on the Board of a Singapore REIT.
- **Board refresher:** Benefit from a useful refresher for existing and seasoned directors
- **Senior professional insight:** Gain valuable insights tailored for senior professionals in the S-REIT sector.
- **Topical industry integration:** Our seasoned instructors incorporate topical industry issues into their presentation for a practical and relevant learning experience.
- The course includes **two case study sessions**, led by industry veterans. These will explore **lessons learned from the changing REIT landscape** and the **role of directors in cross-border acquisitions**.
- The course will feature a dedicated session on **“Shareholder Activism – What Directors of REIT Managers Need to Know.”**

As Singapore REITs have a trust structure, potential directors of a REIT manager require additional understanding of REIT regulations and governance considerations that go beyond that required by directors of other listed companies. Practical case studies draw on more than 20 years of S-REIT history, allowing directors to better understand key lessons learned from the evolution of the sector and the implications for board oversight today. The course is taught by senior practitioners from the REIT industry, bringing practical perspective drawn from real-world experience.

Participants from previous years will gain fresh insights and new material from these in-depth sessions.

❖ Target Audience

Primarily current or aspiring directors of other listed companies and/or organizations who may not have experience being director of a REIT manager. Also beneficial to senior management in REITs and professionals in the following fields:
